CONGRESS WAR DECLARES ON JAPAN!

White House Records Serious Loss To American Forces In Hawaii

Casualty List May Reach
More Than 3,000, In-
cluding About
1,500 Fatalities

Washington, Dec. 8.—(UP)—Casualties on the Hawaiian island of Oahu in yesterday's Japanese air attacks will amount to about 3,000, including about 1,500 fatalities, the White House announced today.

The White House confirmed the loss in Pearl harbor of "one old battleship" and a destroyer, which was blown up.

Several other American ships were damaged and a large number of army and navy airplanes on Hawaiian fields were put out of commission, the White House disclosed. It reported at the same time that American operations against Japan were being carried out on a large scale, resulting already in the destruction of "a number of Japanese planes and submarines."

The White House statement said: "American operations against the Japanese attacking force in the neighborhood of the Hawaiian islands are still continuing. A number of Japanese planes and submarines have been destroyed."

"The damage caused to our forces in Oahu in yesterday's attack appears more serious than at first believed. In Pearl harbor itself one old battleship has capsized and several other ships have been seriously damaged."

"One destroyer was blown up. Several other small ships were seriously hurt. Army and navy fields were bombed with the resulting destruction of several hangars. A large number of planes were put out of commission."

"A number of bombers arrived safely from San Francisco during the engagement—while it was underway. Reinforcements of planes are being refueled and repair work is under way on the ships, planes and ground facilities."

Pacific Island Attacked
Guam, Wake and Midway islands in the Pacific have been attacked. Details of these attacks are lacking. Two hundred marines—all that remain in China—have been interned by the Japanese near Tientsin.

"The total number of casualties on the island Oahu are not yet definitely known but, in all probability will amount to about 3,000. Nearly half of these are fatalities, the others being wounded. It seems clear from the report that many bombs were dropped in the city of Honolulu, resulting in a small number of casualties."

Kankakee Men Answer Call To Defend U. S.

Both Army And
Navy Recruiters
Take Enlistments

The attack without warning by Japan against United States possessions yesterday had one public reaction here today that was welcomed by recruiting officers.

To the army and navy offices in the postoffice there was a comparative rush of young men seeking action.

The navy recruiting officers, W. J. Freeman, chief gunner's mate, retired, was late in arriving from his main office in Aurora for the reason he had 18 applicants there this morning.

There were probably nearly that many here, but the prospective applicants did not wait when they found the local office closed.

Recalled To Aurora
The applicants in Aurora, said Chief Freeman, ranged in age from 16½ to 67. After a short stay here, he was recalled to the Aurora main office and all his recruiting travels are cancelled.

The navy recruiter said that this territory for many years has been regarded as exceptionally fine for recruiting. He said there has been a fine type of recruit from here, both from the farm and city, intelligent and in fine physical condition.

He estimated that some 60 navy recruits have been signed up in Kankakee within the past year.

Ankiam Promoted
While interviewing six applicants this morning, the army's recruiter, who has offices at the post office second floor, received notice of his promotion. Corp. M. E. Ankiam is now a sergeant.

The six applicants, he said, were to have their physical examinations this afternoon. He said there have been 130 army enlistments here during the past year.

By noon today, A. D. Goudreau, chief clerk, said, the army and navy selective boards here, and received no new instructions.

Recall Men
In the 8th army corps, which includes the northwestern states, all men released recently because of having reached the age of 28 have been called back to active service.

Britain Joins America In War Against Japan

Prime Minister Summons
Parliament Into A
Special Session

London, Dec. 8.—(AP)—Great Britain declared war on Japan today, allying herself with the United States.

Prime Minister Churchill, beginning a statement as soon as he opened Commons, summoned in a special session to hear his declaration, said:

"As soon as I heard last night that Japan had attacked the United States I felt it necessary that parliament should be immediately summoned."

Historic Pronouncement
The House of Lords also had been called to sit simultaneously to hear the British prime minister's historic pronouncement.

Churchill told Commons that the war declaration against Japan was authorized at a noon session of his cabinet.

"I spoke to President Roosevelt on the Atlantic telephone last night with a view to arranging the time of our respective declarations," Churchill disclosed.

"Instructions were sent to our ambassador at Tokyo and a communication was dispatched to the Japanese charge d'affaires at 1 o'clock today (6 a. m. est) stating that in view of Japan's recent acts

First Kankakeean To Leave

First Kankakeean to leave for war since it was declared in the Pacific is Merrill Bruce Patterson, 22, private first class in the U. S. Marine corps, shown above with his father, Harry Patterson, 279 North West avenue. He joined the marines Sept. 8, 1939 and was stationed aboard the battleship New Mexico until last Nov. 26 seeing duty in Iceland. He arrived home Friday for two weeks furlough, but was called back yesterday when furloughs were cancelled by radio.

of unprovoked aggression, the British government informed them that a state of war existed between the two countries," Churchill went on.

Lives Up To His Pledge
He recalled that "with the full approval of the nation and the empire I pledged the word of Great Britain about a month ago that should the United States be involved in war with Japan, a British declaration would follow within the hour."

Churchill said the Japanese began landing in British territory in northern Malaya at 6 a. m. yesterday (3 p. m. Saturday, est) and were engaged immediately by British forces "which were ready."

The house cheered enthusiastically as the prime minister informed it: "Every preparation in our power has been made and we shall give a good account of ourselves."

"There is the closest accord with the powerful American naval and air forces and with the strong, efficient forces of the Netherlands East Indies."

"We shall do our best."

Japanese Mind "Infected"
The prime minister, asserting significantly that some "of the finest ships of the Royal navy have reached

their destinations at a convenient moment," declared that "we can only feel that Hitler's madness has infected the Japanese mind."

Then, in a confident conclusion, Churchill thus predicted triumph: "We have no need to doubt the justice of our cause or that our strength and willpower will be sufficient to sustain it. We have four-fifths of the population of the world on our side."

"In the past, our light has flickered; today it flames; in the future there will be a light that shines over all lands and seas."

ROOSEVELT'S WAR MESSAGE TO THE U. S. CONGRESS

Washington, Dec. 8.—(AP)—The text of President Roosevelt's war message to congress follows:

TO THE CONGRESS OF THE UNITED STATES:

Yesterday, December 7, 1941—a date which will live in infamy—the United States of America was suddenly and deliberately attacked by naval and air forces of the empire of Japan.

The United States was at peace with that nation and, at the solicitation of Japan, was still in conversation with its government and its emperor looking toward the maintenance of peace in the Pacific.

No Hint of Armed Attack
Indeed, one hour after Japanese air squadrons had commenced bombing in Oahu, the Japanese ambassador to the United States and his colleagues delivered to the secretary of state a formal reply to a recent

New York, Dec. 8.—(UP)—The Japanese official radio claimed today that an "agreement" was reached with Thailand at 12:30 p. m. to allow passage of Japanese troops through that country. The broadcast was heard by the United Press listening post.

Bangkok, Thailand, Dec. 8.—(AP)—Thailand, after brief resistance to Japanese invasion from the sea and across the French Indo-China border, ceased firing today and opened negotiations with the invaders.

The results of the negotiations were expected to be announced shortly.

Japanese forces poured into Thailand from three coastal points, Prachuabkhirat, Singora and Patani which are on the southernmost part of Thailand's Gulf of Siam coast, close to British Malaya, and across the land frontier from their southern Indo-China base at Siam-rea.

Recover Body Of Man Drowned In River Nov. 12

Corpse Discovered
By Trapper Near
Sandbar Sunday

The body of Edward Kubisty, 22, of Dixmoor, who drowned in the Kankakee river on Nov. 12, was recovered Sunday morning.

W. H. Lutes of Aroma Park, trapper who was out in a boat setting his traps, found the body across from the spot called the "sandbar" about a mile south of the Avon bridge.

The body was floating, but caught on driftwood, about 50 feet from shore. It was clothed only in underwear and was badly decomposed.

Coroner Ed P. Madison conducted an inquest at the Canaday funeral home yesterday afternoon and the jury returned a verdict of accidental drowning.

Testify At Inquest
Testimony was given by Deputy Sheriff Hamilton Wheeler, who assisted the coroner in recovering the body; Lutes, who found it; Gus Huber, mayor of Dixmoor, brother-in-law of the deceased; R. L. Canaday, embalmer, and Harold Misch, 23, Blue Island, who had been with Kubisty shortly before he drowned.

The body was sent to Blue Island for immediate burial.

The drowning occurred the evening of Nov. 12 near the Buckman resort on the river between Kankakee and Momence. Kubisty and Misch were at a cottage belonging to Huber, and, just before the drowning, were engaged in getting Huber's rowboat out of the water.

Clothes on Shore
Misch told Coroner Madison and Sheriff Dan Bergan that he left his companion for a short time to get a pair of oars. When he returned, he said, Kubisty's clothes were lying in a heap on the shore and Kubisty was missing.

Deputies of Sheriff Bergan dragged the river for several days, having the assistance of Boy Scouts from Dixmoor and coast guardsmen from Chicago.

At the request of the family, the coroner employed William Coleman, 432 North East avenue, blasting expert, who set off 50 sticks of dynamite in 10-stick lots electrically exploded, in an attempt to recover the body.

Momentous Doings At The Capitol; Both Branches Cheer To The Echo Of F.D.R.'s Appeal

Washington, Dec. 8.—(AP)—The text of the joint resolution adopted by congress today declaring war on Japan follows:

Declaring that a state of war exists between the Imperial government of Japan and the government of the United States and making provisions to prosecute the same.

Whereas, the Imperial government of Japan has committed repeated acts of war against the United States and the resources of the United States of America therefore, be it

Resolved by the senate and the house of representatives of the United States in congress assembled that the state of war between the United States and the Imperial government of Japan which has thus been thrust upon the United States is hereby formally declared; and that the President be and he is hereby authorized and directed to employ the entire naval and military forces of the United States and the resources of the government to carry on war against the Imperial government of Japan; and to bring the conflict to a successful termination all of the resources of the country are hereby pledged by the congress of the United States.

Washington, Dec. 8.—(AP)—The senate, acting with unprecedented swiftness, voted today to declare war on Japan.

The house worked fast to seal the fateful decision with a vote of its own.

Both branches had just cheered to the echo President Roosevelt's appeal for the declaration.

Overwhelmingly, and with the greatest unity shown in many a day on Capitol Hill, the senate and house backed up President Roosevelt's request for a war declaration with unprecedented speed. The senate vote, first to be recorded, was 82 to 0.

The house vote was 383 to 1.

and dastardly attack by Japan on Sunday, December 7th, a state of war has existed between the United States and the Japanese empire.

The President said that yesterday was "a date which will live in infamy."

Action Within 20 Minutes

Within 20 minutes after he finished the senate had acted.

The momentous action of the senate followed a white house announcement that Japan's sudden attack on Hawaii yesterday had cost the United States two warships and 3,000 dead and wounded.

The chief executive, in a scene such as had not been enacted since 1817, disclosed that Japanese bombers had "caused severe damage to American naval and military forces" and that "many American lives have been lost."

The house began consideration at 11:47 a. m. (est.) today of a joint resolution declaring a state of war with Japan.

Majority Leader McCormack (D-Mass.) moved at once for the resolution's consideration after President Roosevelt had asked for a war declaration but already the impatient legislators had started shouting "veto!"

The President asked a united congress to declare war against Japan after revealing that American forces lost two warships and 3,000 dead and wounded in the Japanese surprise dawn attack on Hawaii.

The president made no mention of Germany and Italy.

Resolutions making the formal war declaration had already been prepared in the senate and house before the momentous joint session addressed by the president.

As a matter of fact, the army and navy had been fighting since a few moments after the surprise attack yesterday and the nation generally had taken on a war time tempo.

Speaker Rayburn said the house would take up the war resolution this afternoon. Consideration could not start until the senate and house had separated and gone into regular session after hearing the president.

Fast Moving Measures

The white house released the first official information on the scope of the Japanese attack at Pearl Harbor shortly before President Roosevelt went to the capital.

An evidence of the fast moving protective measures was seen in Attorney General Biddle's announcement that 738 Japanese sailors had been taken into custody in the United States and Hawaii.

Troops had assumed guard posts throughout the nation at defense industries, key buildings, strategic bridges and public utilities.

The white house announced today that the Japanese attack on Hawaii had resulted in the capturing of an old battleship, the destruction of a destroyer, damage to other vessels and destruction of a relatively large number of planes.

It added that several Japanese planes and submarines had been accounted for.

This was announced as a war resolution was drafted for immediate introduction in the congress which President Roosevelt was addressing personally on the far eastern situation at a momentous joint session at the White House.

Hawaiian Air Base

U. S. army air corps bombers are field near Honolulu. Reports said causing numerous casualties.

lined up for inspection at Hickam a Japanese submarine struck the field.

The Hawaiian group, presidential Secretary Stephen Early said it was the consensus of experts that probably all the a-19 bombers came from carriers which had moved forward during the night and sent their planes aloft. The attack started at dawn yesterday.

No identification of the battleship which capsized being the statement that she was an old ship and that the Japanese had resistance was "still continuing" against the Japanese attacking force.

Several Japanese Destroyed

The statement said that several other ships "have been seriously damaged," that one destroyer was "blown up," and several other small ships were "seriously hit."

Several hangars were destroyed in the bombing of army and navy air fields the White House said, and a number of planes were put out of commission.

However, a number of bombers said to have arrived in the islands safely from San Francisco while the engagement was underway.

Two hundred marines, all that remained of the American marine detachment in China, have been interned near Tientsin.

The statement asserted that it seemed apparent that many bombs had been dropped in Honolulu. It added that the casualties there were largely at the capital.

Before the White House announcement Japan had claimed a smashing victory over the Pacific fleet.

Tokyo's claim of a smashing victory over the Pacific fleet, however, was a surprise, since an aircraft carrier sent to the bottom by a submarine off Honolulu, two American battleships sunk, four others damaged and four heavy cruisers damaged in the unprovoked Sunday morning bombing attack that exploded war throughout the Pacific.

The announcement said no Japanese losses had occurred.

Official sources here ignored the Japanese claim, but the naval communication issued by the navy secretary was the grimmest sort of news to a city that has at peace only yesterday.

The nation has been bracing itself for bad tidings. It was known the navy had taken the attack on the White House and that the navy had taken the attack on the White House.

Mindano Island In Philippines Attacked

Thirteen Japanese Planes Take Part In Raid On Davao; Some Damage

BULLETIN
 Manila, Dec. 8.—(AP)—Japanese bombers struck at military bases and ports of the Philippines today, smashing at the big Port of Mindanao, Clark field, the summer mountain capital at Baguio, the ports of Manila and Aparri and the far northern Batan Island group.

Manila had heard no air raid alarms and seen no raiding planes early tonight although Japanese warcraft were reported within 40 miles of the densely populated city.

A full blackout was in force and all radio stations were ordered off the air from 5:30 p. m. to 6 a. m. (3:30 a. m. est.) today.

The attacks on Davao and Baguio were carried out in daylight. Army officials said they were investigating reports that Japanese on the island of Luzon also had been bombed.

Seventeen raiders were reported to have struck at Baguio. The mayor of Davao reported later that the Japanese had made a second assault on Davao and had attacked a U. S. aircraft carrier in the bay.

One Japanese plane was said to have been shot down in Davao bay, but the result of the reported attack on the aircraft carrier was not clear.

Situation "Well In Hand"
 Francis B. Sayre, American high commissioner in the Philippines, meanwhile declared that the situation was "well in hand."

Reports reached here meanwhile that the Japanese also had attacked the U. S.-owned island of Guam, some 1,400 miles east of the Philippines.

Admiral Thomas C. Hart, commander of the U. S. Asiatic fleet, announced that a small contingent of American marines stationed at Manila had been forced to surrender to the Japanese and that the American gunboat Wake at Shanghai likewise had been compelled to surrender.

"There was nothing else they could do," Admiral Hart said, emphasizing the futility of resistance against overwhelmingly superior forces.

Aircraft Carrier Damaged
 New York, Dec. 8.—(AP)—NBD said today the U. S. aircraft carrier Langley was reported unofficially in Manila to have been damaged in action with Japanese forces.

Bert Allen, the NBD correspondent, said 200 persons had been wounded at Park field, 150 miles from Manila. Propaganda leaflets were dropped urging Filipinos to assist Japanese to "liberate" them from the United States.

Royal Arch Gunnison, in a broadcast to WOR—mutual from Manila, reported that Japanese parachute troops had landed in the Philippines.

Fleets Believed Fighting In Mid-Pacific

American Fleet Steamed Out Of Pearl Harbor Following Air Attack

BY FRANCIS MCCARTHY
United Press Staff Correspondent
Honolulu, Dec. 8.—(UP)—United States and Japanese fleets were believed to be engaged in a battle in the Pacific after a Japanese aerial bombing attack on the Hawaiian Islands ended war between the two great Pacific powers.

The American fleet steamed out of the Pearl Harbor naval base shortly after Japanese planes attacked with a declaration of war or any warning whatever had been given. The fleet was seen from the coast, and the roar of the guns was heard soon after the fleet had steamed out to seek the Japanese aircraft carriers from which it was believed, the planes had taken off.

Jap Planes Shot Down

Many Japanese planes were reported shot down before they could reach the Hawaiian Islands. It was estimated that there were between 50 and 100 planes in the attacking fleet, including four-motored bombers, dive bombers and torpedo carriers.

They arrived over the islands at 10:25 a. m. and were seen to be attacking the main base. The fleet was taking a pre-breakfast flight as they made for their objectives.

Pearl Harbor was the principal target. Anti-aircraft guns were fired and other military points went into action. The fleet was seen to be attacking the main base. The fleet was taking a pre-breakfast flight as they made for their objectives.

Paratroopers, apparently suicide detachments, intended to land on the main base. The fleet was seen to be attacking the main base. The fleet was taking a pre-breakfast flight as they made for their objectives.

Army, navy and air force elements and radio broadcasts summoned all members of the fighting forces and all policemen and firemen to their posts.

Gov. Joseph B. Poindexter proclaimed a state of emergency and, in his first decree, ordered the public to remain calm and stay off the streets.

Witnesses reported that at least three ships were hit by bombs at the Pearl Harbor base. The bomb struck within 25 feet of the Honolulu Advertiser building. One bomb dropped on the world famous Waikiki beach, wounding one man seriously. Another struck near the governor's home.

Crashed In Flames
One Japanese plane crashed in flames near the court house at Waikiki. A few miles from the army's headquarters.

It was indicated that army observers first identified the planes as Japanese.

Reports soon arrived here of damage at Wheeler field, Honolulu municipal airport and the new air force repair base at Kaneohe as well as at Pearl Harbor and Hickam field. Unofficial reports said Hickam field suffered heavily.

As suddenly and as startlingly as the raid had come, it failed to terrorize civilians. Residents ran out doors many in night attire, and were soon grouped on hill tops watching the attacking planes and the bursts of machine and anti-aircraft shells.

Observers saw few planes over the city, but those near Pearl Harbor, miles away, reported that about 50 Japanese planes were attacking in that area. The observers said they saw ships off the coast but could not identify them.

By radio despite orders to civilians to keep out of the streets, men, women and children, many in pajamas, were on the sidewalks all over the city.

It was believed that the attacking planes came from plane carriers off Harbors point, to the northeast of Pearl Harbor.

The American fleet steamed out of the Pearl Harbor naval base shortly after Japanese planes attacked with a declaration of war or any warning whatever had been given.

The fleet was seen from the coast, and the roar of the guns was heard soon after the fleet had steamed out to seek the Japanese aircraft carriers from which it was believed, the planes had taken off.

Many Japanese planes were reported shot down before they could reach the Hawaiian Islands. It was estimated that there were between 50 and 100 planes in the attacking fleet, including four-motored bombers, dive bombers and torpedo carriers.

They arrived over the islands at 10:25 a. m. and were seen to be attacking the main base. The fleet was taking a pre-breakfast flight as they made for their objectives.

Pearl Harbor was the principal target. Anti-aircraft guns were fired and other military points went into action. The fleet was seen to be attacking the main base. The fleet was taking a pre-breakfast flight as they made for their objectives.

Paratroopers, apparently suicide detachments, intended to land on the main base. The fleet was seen to be attacking the main base. The fleet was taking a pre-breakfast flight as they made for their objectives.

Army, navy and air force elements and radio broadcasts summoned all members of the fighting forces and all policemen and firemen to their posts.

Gov. Joseph B. Poindexter proclaimed a state of emergency and, in his first decree, ordered the public to remain calm and stay off the streets.

Witnesses reported that at least three ships were hit by bombs at the Pearl Harbor base. The bomb struck within 25 feet of the Honolulu Advertiser building. One bomb dropped on the world famous Waikiki beach, wounding one man seriously. Another struck near the governor's home.

Crashed In Flames
One Japanese plane crashed in flames near the court house at Waikiki. A few miles from the army's headquarters.

It was indicated that army observers first identified the planes as Japanese.

KAYS LOSE TO MOWENGE; FACE STREATOR

Big 12 Quintet Tackles K.H.S. Tuesday Night

Forty-three high school basketball games are spread across the prep page tomorrow of northeastern Illinois this week with only another week to go before the high schools resume their annual holiday vacation. Kankakee, beaten in three of its four games to date, figures prominently in this week's picture with two important games scheduled for the home crowd. Tomorrow night the experienced Kays face Stretor, an ancient rival from the Big 12 conference. Then Friday night Coach Gene Dykstra leads his locals into South Suburban conference combat against Calumet City here.

Bradley faces Sheldon at work. Bradley, back from his southern trip, plays host to Manitowish, who will play Kankakee tomorrow night, and then Friday night the unbeaten Sheldon team, practicing as strong as the Sheldon five that went as far as the sectional finals last spring, invades St. Patrick's. Kankakee's other prep five has a few days to rejoice in its Saturday night victory before plunging back into the fray Tuesday night facing Rantoul. Then the Irish go to Aurora to play Marmon Friday night.

The heaviest portion of the week's program is scheduled for Friday night when 21 games will be played. The weeks warfare gets started with a game tonight at Rantoul, where the Kays will face the unbeaten Sheldon team, but the game is scheduled for Saturday night wind up the week's warfare. Following is the schedule:

TONIGHT
Fairbury at Forrest
TUESDAY NIGHT
Stretor at Kankakee
St. Patrick at Rantoul
Manitowish at Bradley

St. Pat Defeats Martinton Quint 44 to 31

Ortman's 18 Points Pace 1st Irish Win

St. Patrick high school's basketball team, playing its first home game of the 1941-42 campaign, scored its initial victory of the season by defeating Martinton in Kankakee high school's gymnasium Saturday night by a score of 44 to 31. Ortman led Coach Russ Abern's Irish to their initial triumph with nine field goals for 18 points. Most of Ortman's points were the result of long shots in the third and fourth quarters. The teams were evenly matched. Martinton was paced by Tibbets. Tunk and Roach were pegged by Tibbets. Tunk and Roach who bagged eight points apiece.

Closely Fought Game
The game was closely fought from whistle to whistle with Martinton in front at the end of the first quarter 9 to 7, and 16 to 12 at intermission. By the time the third period closed, St. Patrick was leading 29 to 23. Martinton who made five free throws in eight attempts, was another major factor in the Irish victory.

St. Patrick made it a double triumph by defeating Martinton lightly, 44 to 31, Saturday night. The Irish, who had lost 19 to 13 to St. Bourdeaux in the preliminary 17 to 13, then the Irish go to Aurora to play Marmon Friday night.

The heaviest portion of the week's program is scheduled for Friday night when 21 games will be played. The weeks warfare gets started with a game tonight at Rantoul, where the Kays will face the unbeaten Sheldon team, but the game is scheduled for Saturday night wind up the week's warfare. Northwestern Gridders Turn To Court as Members of Cage Squad
Now that football is over, several of the stars of the Northwestern grid team have turned to basketball as members of would-be members.

Chicago, Dec. 8.—(UP)—The basketball brethren are back at their winter business of sitting in hotel lobbies and hoping that some important trades will sprout out of the potted palms this week.

There was a good chance some would blossom late today for the roundwork was laid last week at the minor league meeting in Jacksonville, Fla. After scattering to their homes for the week-end, all of the magnates and managers again gathered here for the major league business meetings which will be held Tuesday, Wednesday and Thursday.

The business meetings of the league have been hastened to a close in two days for the past two years, but the coaches have agreed against cutting them short this year—thus allowing ample time for the closing of whatever deals are under consideration.

The National and American leagues will meet separately tomorrow and Wednesday and then jointly on Thursday. Much of their work is of a financial and technical nature not disclosed to the public, but two of their actions will be the selection of a site for next year's all-star game and a decision on the St. Louis Browns' plea to play more than seven night games at home.

Brooklyn is expected to get the all-star game, since it is the National league and the east's turn. The restriction on seven night games is not expected to be lifted on the basis of a preliminary survey among the club owners.

Cascade Summit, Ore. Hallmen Whip Kankakee In Overtime 27-26

Kankakee high school but a thrilling 27 to 26 overtime win Monday night, the defeat being the third of the season for the Kays who face Stretor tomorrow night and Calumet City Friday night. Both games will be played here.

The game Saturday night was leading by two points into the last seconds of play when Kankakee, under Bill Forbes, sank a beautiful one-handed shot from the corner to send the game into overtime.

The night score in the overtime came midway of the three-minute extra period when Fudick caged a free throw. Barclay's minute led the winning team's scoring with 16 points, while Forbes paced Coach Gene Dykstra's team with 11.

Ray Lights Win No. 4
Momence, coached by Max Hall, was in front at the close of the first quarter 6 to 5, and the score was tied 14 to 14 at the close of the second quarter. Momence possessed a 20 to 19 lead as the fourth period began, and the score was tied 26 to 26 at the close of regulation time, 26 to 26.

In the preliminary game, Coach Earl Jones' Kankakee team, 2 to 3, had an easy time winning their fourth straight game, defeating Momence by a score of 45 to 14. Practically all of the Kankakee players carried the scoring column with a guard on each team leading the scoring: Boudreau of Kankakee and A. Mitchell of Momence with 11 points apiece.

WHEN THOSE MEN CAME INTO MY FATHER

Illinois United In Support Of The Nation

Governor Pledges Unstinted Efforts Of 7,000,000 Citizens

BY THE ASSOCIATED PRESS
Illinois threw its "united support and unstinted efforts" into the war today.

As the commonwealth went on the alert, ready for any emergency, Governor Green sounded a keynote of unity.

"Please permit me to pledge the united support and the unstinted efforts of more than 7,000,000 citizens of Illinois in their utmost devotion to the defense of America," he telegraphed President Roosevelt. "America stands with you, Mr. President, Illinois asks you to command the fullest power of her citizens and her industries."

From Chicago down to the smallest villages, other officials echoed his words.

Anti-Sabotage Duty
The reserve militia, highway police and city police and firemen stood ready to anti-sabotage duty in protection of the vast and busy industrial plants in Illinois.

The governor last night took these steps:

1. Called a meeting for Tuesday noon in Chicago of the Illinois state council of defense.

2. Cancelled all non-military use of state armories.

3. Declared the reserve militia "prepared and ready to be called out on a minute's notice in case of defense plant sabotage or other disorders."

4. Warned the commonwealth that "saboteurs and fifth columnists are in our midst," and urged all in charge of industrial plants, vital arteries of transportation, bridges, waterways and harbors, utilities and power plants to protect themselves.

5. Urged all citizens who are capable of rendering some service to immediately enroll with their local council of defense for some helpful activity."

Insincerity and Deceit
"This shocking attack of Japan upon the island possessions of a nation that desired only a just peace . . ." the governor declared in a statement to the citizens of Illinois, "is ample evidence of their insincerity and deceit. The die has been cast. The gauntlet has been thrown down. The lives of our families, the security of our homes and our traditions and freedom threatened."

Before departing for Washington last night, Senator C. Wayland Brooks (R-Ill.) issued the following statement:

"I have worked to prevent and had hoped we would not become involved in war. . . . Now it becomes the duty of all Americans to unite to add in every possible manner with all our resources, with our lives, in the defense of our country and our American liberty."

Illini Students Parade
About 2,000 students at the University of Illinois today

paraded to the home of Dr. Arthur Cutts Willard, university president, yesterday and last night and requested that classes be dismissed Monday, giving them an opportunity to hear President Roosevelt's message to congress.

A tentative schedule called for classes to continue as usual today but not on Wednesday when an all-university convocation of students and faculty will be held.

Willard said that "I have faith that the University of Illinois will assume its share of the responsibility in this period of crisis and that the university's attitude will be like that of the entire nation."

Other Developments
The Japanese consul in Chicago, Kiyachiro Ohmori, burned confidential papers in his office yesterday while a policeman stood guard at the door to prevent any possible demonstration by Americans.

Lieut. Col. T. C. Gerber, commanding officer in charge of the Kankakee TNT and Elwood shell-loading ordnance plants announced guard forces at the plants would be increased and extra-ordinary precautions against possible sabotage would be taken.

In Chicago, Fire Commissioner Michael J. Corrigan ordered 1,800 firemen on continuous duty and cancelled all leaves. Police Commissioner Allman ordered each police district to assign special defense details to water, gas and electric plants within its area. Mayor Kelly called a meeting of the Chicago council of defense for this afternoon.

On Emergency Basis
Police Commissioner Allman ordered all Japanese meeting places closed "as a precautionary measure." Five restaurants and a gift shop owned by Japanese nationals were closed by police.

Over 1,000 officers of the United States army in Chicago were on 24 hour duty as Major General J. W. Cunniff, commander of the 6th corps area, organized his staff for emergency action and placed every post, camp and fort in the area on an emergency basis. The order affected, among others, the 10th coast artillery anti-aircraft brigade at Fort Sheridan and men at Scott field, Belleville, and Chanute field, Rantoul.

Capt. E. Lofquist, second in command of the ninth naval district and the Great Lakes Naval academy announced "stand by instructions" had been issued to all men in his area.

Army recruiting officers at the recruiting center in Chicago said they had received hundreds of calls last night from volunteers and reservists since the first word of hostilities was flashed.

39 Babies Born At Watseka Hospital During November
Watseka, Dec. 8.—(RN Special)—Thirty-nine babies were born at the Watseka hospital during the month of November.

Notes
Mr. and Mrs. M. A. Devine Jr. and son James of Irwin were guests last week at the Ulrich home.

Mr. and Mrs. Floyd Burmeister of Gratiot, Wis., were guests of Mrs. Daisy Fox on Thursday.

Miss Ann Tesch, who suffered a heart attack recently, is recovering. She is a sister of Mrs. Walter Craft.

Mrs. Roy Main entertained 18 at a bridge luncheon Friday. Those from out of town were: Mrs. George W. Ross Jr. of Kentland, Meadames Clair Houran Paul Carson, John Noble, Robert McCormick, Clarence Ringler, Clarence Barrow and Frank Denne of Gibson City.

Mrs. Virgil Sorenson entertained the Jolly Dozen Bridge club today.

Originally only beet leaves were edible. Cultivation gradually increased the size and sweetness of the roots until it has become a root rather than leaf vegetable.

I AM WELL AGAIN
and
PRUDENCE PAID THE BILLS

Yes, I had an operation. Sickness came to me with sudden swiftness. I never had a serious illness before. Yet, when sickness did come the doctor said, "OPERATION."

I don't know how I could have managed if I hadn't had my Prudence Protection. I hesitated a long time before I applied for my Hospital Expense and Surgeon's Fee Policy because I was always so well. I had never had a doctor except for colds or other minor things, but my sister who was a Prudence member for a long time persuaded me to protect myself against the unexpected so I did and how glad I am!

My hospital bill and doctor bill amounted to about \$245.00 and all of it was paid by Prudence. I haven't seen the bills and probably never will. I advise you to join PRUDENCE, you never know when you will need it.
